GREENS ROLLER GR-400 & GR-660

AgriMetal's heavy duty trailer bed's are covered with coked rubber mat for maximum traction, allowing easy climbing even in wet condition.

All 6" diameter roller are driven for maximum traction and efficiency in morning dew condition.

The ramp self locking mechanism provides safe transportation. Thanks to the ramp spring assisted hinge system, make it easy for the operator to lift it back up before driving to the next green.

The large tire wheels prevent excessive compaction when parking next to your valuable greens. The GR-660 trailer is equipped with 4 wheels for minimum compaction.
